

Ascended Masters Retreat

A Spiritual Gathering for Women in the Grand Tetons, Wyoming

Noorah Hansen has been leading experiential retreats for 22 years. She is well known for creating safe and empowering group experiences. Her love of the Grand Tetons inspires her to share the beauty and power of these mountains with women from all walks of life.

"I've never felt as safe and cared for as I did in your retreat. I am in awe of your power and grace. I am grateful you are so good at your calling."

-Kimberlee, Silver City, NM
